An impromptu meeting was held to discuss a bylaw conflict that impacted general and concession funds. The new website can only be connected to one bank account, the account currently being used is the general funds account. However, the bylaws state that the Treasurer has control over the general funds but not the concession funds.

Motions

A motion was made to allow the concessions funds to own the general funds with checks being made to general funds for all non-concession related sales until the issue can be discussed at the next planned board meeting.
